

All Educators/Administrators Who Are Renewing or Upgrading their Utah License

Under the new State Administrative Rule R277-501-6, consistent with Utah Code Section 53A-6-40, **prior to renewing** either a level 1 license, level 2 or 3 license, or upgrading from a level 1 to a level 2 license, an educator must have undergone a background check through the Utah State Office of Education (USOE) that was **completed** and cleared **during the current school year** (July 1st through June 30th). To start the fingerprint/background process, please follow these steps:

- Access www.utah.gov/teachers
- Click on “Background Check” on the right.
- Follow the prompts as required.
- On the screen which asks for “LiveScan” or “Card Submission” select LiveScan if you live in Utah, and Card Submission if you live out-of-state.
- Pay background check fee of \$69 with a debit or credit card.
- If you clicked on “LiveScan,” generate the form at the end of the process. This will take you to a Word® document. Print both pages. The first page will be an authorization letter which must be taken to the LiveScan location listed on the second printed page. The second page will give you a list of authorized locations where you can complete the fingerprinting process.
- If you clicked on “Card Submission,” the authorization letter and locations will not print. Instructions, a release form, and authorized fingerprint cards will be mailed to you.
- Transaction should have been successfully completed within a 30 minute timeframe.
- Once your fingerprint/background has successfully been completed, you will receive an e-mail in approximately 3-14 weeks stating you have a cleared background. Be sure to check your “junk e-mail,” just in case your e-mail blocked the message.
